There will be weekly homework assignments (problems from  
the textbook). The exam and quiz problems will resemble  
the homework problems.

In-class weekly Quizzes (short, ≤ 15 min.) will be given (Thurs/Fri).  
On some weeks, they may be replaced by Worksheets (a little longer).  
For Q and WS, full answers will be provided after they are collected.

Grading:  
Total (700) = HW (100) + Q/WS (100) + Att (20)  
+ Mid (3 × 100) + Final (180).

Make-up Policy:  
In principle, there will be no make-up exams, especially for the  
final exam. However, for some valid reason, if you have to miss  
an exam, please contact me for a special arrangement.

Difficulties:  
If you have any personal difficulties (learning disabilities, illness,  
or any emergency), let me know and we will try to make appropriate  
arrangements.
