

# Sara Robertson Morris, Ph.D

## *Interim Vice President for Academic Affairs and Professor of Biology*

Canisius College  
2001 Main Street  
Buffalo, New York 14208  
(716) 888-2120  
morriss@canisius.edu

### EDUCATION

Ph.D. in Zoology, Cornell University, Ithaca, NY, 1996  
M.S. in Zoology, Cornell University, Ithaca, NY, 1993  
B.S. in Biology (*summa cum laude*), Presbyterian College, Clinton, SC, 1989  
B.A. in French and in Fine Arts with a concentration in Theatre (*summa cum laude*), Presbyterian College, Clinton, SC, 1989

### PROFESSIONAL APPOINTMENTS

**Interim Vice President for Academic Affairs, Canisius College, Buffalo, New York** 2019-present  
Oversee all academic programs at the college and oversee three academic deans, two assistant vice presidents (curriculum & accreditation and faculty development & support of the student experience), the Office of Diversity and Inclusion, the Director of the All College Honors Program, the Director of Mission and Identity, the Bouwhuis Library, the New Buffalo Institute, and the Director of Institutional Research; co-supervise the Griff Center for Student Success and the Student Records and Financial Services Center. Lead the Academic Program Board that reviews academic programs, reviews proposals for new programs, and reviews changes to existing curricula. Serve on Senior Leadership Team overseeing all aspects of college operations; serve as consultant to the Board of Trustees, including primary consultant to the Academics Committee; serve on the Strategic Planning Committee, the College Budget Committee, the Faculty Status Committee, and the Accreditation Oversight Committee.

**Associate Vice President for Academic Affairs, Canisius College, Buffalo, New York** 2015-2019  
Served as Middle States Commission on Higher Education Liaison Officer; coordinated communication with New York State Department of Education; responsible for the Canisius Earning Excellence Program; coordinated new faculty orientation; and oversaw Office of Sponsored Programs, the Center for Online Learning and Innovation, and the Coordinator of Graduate Scholarships and Awards. Served on the Strategic Planning Committee, the Accreditation Oversight Committee, the Academic Program Board, and the Vice President for Academic Affairs' Cabinet. Primary responsibility for curriculum management systems and policies, including the college catalog, course scheduling and the master schedule, and curriculum inventory management. Primary accomplishments include project management of the implementation of a variety of curriculum management systems including an electronic catalog integrated with our Student Information System, curriculum inventory software managing both our courses and our academic programs, course scheduling software integrated with both our catalog and our SIS, and new degree audit software; co-chairing the committee that developed Volume 5 (Academic Policies) of the Policy Manual; developed and chaired the Curriculum Subcommittee of the Academic Program Board that reviewed curricular changes for existing programs and that developed and/or evaluated changes to academic policies.

**Co-Chair of the Biology Department, Canisius College, Buffalo, New York** 2011-2015

**Professor of Biology, Canisius College, Buffalo, New York** 2006-present

**Associate Professor of Biology, Canisius College, Buffalo, New York** 2002-2006

**Assistant Professor of Biology, Canisius College, Buffalo, New York** 1996-2002

Teach majors and non-majors classes in the biology department. Required introductory level majors courses include "Evolution, Ecology, and Population Biology" to sophomore biology majors (1996-2011), "Introductory Biology 1" to freshman science majors (2011-2015), and "Introduction to Organismal Biology" to freshman science majors (1997-2008). Upper-level biology courses include

“Ornithology,” “Vertebrate Zoology and Ecology,” “Field Ecology,” “Junior Seminar” and “Environmental Science Seminar.” Non-majors classes include “Natural History of Western New York,” “Special Topics in Natural History,” and “Biology of Birds.” Direct undergraduate research assistants in research methods, techniques and projects. Coordinate Environmental Sciences major and Environmental Biology minor. Primary chair in the spring, secondary chair in the fall – prepare fall schedule and four-semester planning schedules, prepare and manage departmental budget, plan and run departmental meetings including the annual planning meeting, assess transfer credits, contribute to the departmental annual report for program review, and coordinate senior awards and honors.

**Affiliate Professor, School of Marine Science and Ocean Engineering,**

*University of New Hampshire, Durham, NH*

2015-present

Appointment based on teaching and research at the Shoals Marine Lab, Appledore Island, Maine. Lead researcher and coordinator of the Appledore Island Migration Station, a seasonal bird banding station running during both the spring and fall. Lecture on migration and stopover biology to visiting classes and introduce students and visitors to the techniques, regulation, and uses of bird banding. Taught avian biology to students of the Field Marine Science course (began in summer 1996) and its successor, Ecology in the Marine Environment (through 2013). Taught “An Introduction to Field Ornithology,” a one-week, two-credit class (Summers 1997-98) expanded to two weeks, four credits (summer 1999-2003).

**Research Associate, Division of Vertebrate Zoology,**

*Buffalo Museum of Science, Buffalo, NY*

2001-2017

Collaborate with museum curators and associates on research projects involving museum collection and facilities. Appointment based on collaborations on television tower mortality by migrant birds and banding projects at Tiff Nature Preserve and use of the collection in teaching Canisius courses.

**Ornithology Instructor**

*National Audubon Society Ecology Camp in Maine*

Summers 2000-present

Summers 1990-93, 1995-98

Instruct adults in the identification, ecology, conservation, and study of the native avifauna in Muscongus Bay, Maine, in groups of 5 to 55 people. Instruction involves several formats, including field experiences, lectures, interactive workshops, and discussion groups.

**Teaching Assistant, Cornell University, Section of Ecology and Systematics**

1991-1993

Mammalogy (Dr. Deedra McClearn)

Fall 1991, Fall 1993

Biology of Fishes (Dr. Amy McCune)

Fall 1992

Herpetology (Dr. Harvey Pough)

Spring 1993

Prepared laboratory materials; introduced weekly labs; created and graded all laboratory quizzes and exams; lectured on areas of special interest; attended all other lectures; and graded portions of lecture exams and term papers.

**COLLEGE SERVICE**

Senior Leadership Team

2019-present

College Budget Committee

2019-present

Board of Trustees Consultant

2019-present

Participant in Academics Committee of the Board of Trustees

2015-present

Physician Assistant Studies Implementation Team

2017-present

Strategic Planning Committee Member

2015-present

Academic Program Board (APB)

2015-present

Chair

2019-present

Accreditation Oversight Committee

2015-present

Chair

2016-2019

APB Curriculum Management Subcommittee, Chair

2016-2019

Dean of Arts and Sciences Search Committee

2018-2019

Canisius College Mission Examen Steering Committee

2017-2018

Canisius Colleagues Program, Co-Director

2017-2018

Associate Vice President for Institutional Advancement Search Committee	2017-2018
Physician Assistant Director Search Committee, Co-Chair	2017-2018
Policy Manual, Volume V: Academic Policies, Co-Chair	2016-2017
Co-Chair of the Biology Department	2011-2015
Coordinator of the Environmental Science Program	1997-2015
Faculty Status Committee (elected faculty member)	2011-2015
Secretary	2014-2015
Institutional Animal Care and Use Committee Member	2002-2015
Strategic Planning Committee, elected faculty member	2015
Admissions Advisory Council	2014-2015
Canisius Earning Excellence Program Selection Committee	2015
Vice President for Academic Affairs Search Committee	2014-2015
Advisor, Tri-Beta Biological Honor Society	1998-2003, 2010-2015
Associate Vice President for Academic Affairs Search Committee	2013
Strategic Assessment Planning Task Force	2012-2013
Governance Committee, Faculty Senate Constitution Revision	2009-2010
Dean of Arts and Sciences Search Committee	2009
Peer Mentor, Nancy Rourke, Religious Studies	2008-2009
Writing Across the Curriculum Working Group	2007-2009
Faculty Senate, elected faculty member	2005-2009
Academic Computing Advisory Committee	1998-2009
Committee Chair	1999-2006
Freshman Advisor	1997-2000, 2001-2003, 2008-2009
Educational Policy Committee	2005-2007
Core Curriculum Task Force	2002-2005
Advisory Committee on Campus Security	2000-2003
Campus Wide Information Systems Committee	1999-2003

**DEPARTMENT SERVICE**

Coordinator of Environmental Biology Minor	1997-2015
Faculty Evaluation Committee	2002-2005, 2007-2009, 2011-2015
Chair	2004-2005, 2007-2008, 2008-2009
Chair, Search Committee for Microbiologist	2014-2015
Member, Search Committee for Developmental Biologist	2014-2015
Coordinator for BIO111	2011-2014
Departmental Faculty Mentor	2006-2007, 2010-2011, 2013-2014
Chair, Search Committee for Freshwater Ecologist	2012-2013
Chair, Search Committee for Evolutionary Biologist	2011-2012
Member, Search Committee for Developmental Biologist	2011-2012
Coordinator for BIO 201 (lecture and laboratory)	1996-2006, 2008-2011
Member, Search Committee for Postdoctoral Fellow	2010-2011
Chair, Search Committee for Evolutionary Ecologist	2009-2010
Member, Search Committee for Epigenetics and Molecular Biologist	2009-2010
Departmental Budget Committee	1999-2002, 2006-2009
Coordinator for BIO 102	1998, 2008
Chair, Search Committee for Evolutionary Ecologist	2005-2006
Member, Search Committee for Developmental Biologist	1999-2000
Departmental Seminar Series Coordinator (s = spring, f = fall)	1998 spring; 1999 spring & fall

**PROFESSIONAL AFFILIATIONS AND CONTRIBUTIONS**

- American Ornithologists' Union/American Ornithological Society (Since 1990), Fellow (elected 2010)
  - North American Ornithological Conference (NAOC) VII Steering Committee (2018-present)
  - Elective Council Member (2018-present)
  - Bylaws Committee (2015-present)
  - Secretary (2006-2014)
  - Early Professionals Committee (2014-2017)
  - Teaching Faculty Committee (2006-2010)
  - Finance Committee (2005-2006)
  - Student Awards Committee (2002-2003)
  - Advertising and Sales Committee (1995-1998)
- Wilson Ornithological Society (Since 1990)
  - Executive Committee Consultant (as Past President, 2017-present)
  - President (2015-2017)
  - First Vice President (2013-2015)
  - Second Vice President (2011-2013)
  - Secretary (2000-2006)
  - Elected Council Member (1997-2000, 2008-2011)
  - Student Presentation Committee Chair (2014 & 2015)
  - Steering Committee, NAOC VI (2013-2016)
  - Scientific Program Committee, NAOC VI (2015-2016)
  - Scientific Program Committee, NAOC V (2010-2012)
  - Scientific Program Committee Chair 2013
  - Klamm Service Award Committee Chair (2006-present)
  - Nominations Committee (2005-2010)
    - Chair (2007, 2009-2010)
  - North American Banding Council Representative (2000-2010)
  - Publications Committee (1998-2001)
- North American Banding Council (1998-2010)
  - Web master (1999-2010)
  - Evaluation and Certification Committee (1999-2010)
  - Education Committee (2000-2005)
- Cooper Ornithological Society (Since 1993, merged with AOU in 2015)
- Association of Field Ornithologists (Since 1990)
- Eastern Bird Banding Association (Since 1988)

**ADDITIONAL PROFESSIONAL SERVICE**

- |   |              |

Scientific article (peer) reviews: *Auk*  
*Condor*  
*Journal of Field Ornithology*  
*Northeastern Naturalist*  
*Southwestern Naturalist*  
*Wilson Bulletin, Wilson Journal of Ornithology*

Contributed Book Reviews: *Wilson Bulletin*

Book Review Editor: *Wilson Bulletin* (1999-2002)

## HONORS

Kenneth L. Koessler Distinguished Faculty Award, Canisius College, 2016  
 Environmental Educator of the Year, WNY Sanctuary Society, 2016  
 Alpha Sigma Nu, Jesuit Honor Society, Canisius College, 2016  
 Marion Jenkinson Award, American Ornithologists' Union, 2014  
 College of Arts and Sciences Outstanding Teaching Award, Canisius College, 2014  
 Earle R. Greene Memorial Award, Georgia Ornithological Society, 2013  
 Elected a Fellow of the American Ornithologists' Union, 2010  
 Elected an Elective Member of the American Ornithologists' Union, 2004  
 Alexander Wilson Prize, Outstanding Student Paper, Wilson Ornithological Society, 1996  
 Outstanding Senior in Biology, Presbyterian College, 1989  
 Outstanding Senior in Modern Foreign Languages, Presbyterian College, 1989  
 Oeland Scholarship in Modern Foreign Languages, Presbyterian College, 1988  
 Omicron Delta Kappa National Honor Society, Presbyterian College, 1988  
 Tri-Beta Biology Honor Society, Presbyterian College, 1987  
 Sigma Kappa Alpha Academic Honor Society, Presbyterian College, 1986

## GRANTS, FELLOWSHIPS, AND AWARDS

NSF S-STEM grant (\$1,000,000), co-PI and co-author, 2016-present  
 NSF S-STEM grant (\$598,000), PI and primary author, 2010-2016  
 Peter Canisius Distinguished Teaching Professorship (\$105,000), 2006-2009  
 Oishei Foundation Grant, Canisius Oishei Teaching Professorship (\$105,000), 2000 - 2003  
 Summer Faculty Fellowship, Canisius College, 2000, 2003, 2006, 2009, 2015  
 Dean's Summer Grant, Canisius College, 1999, 2005  
 Buffalo Ornithological Society Grant (Teaching Ornithology in Western NY), 2000  
 Buffalo Ornithological Society Grant (Teaching Ornithology in Western NY), 1997  
 Wilson Ornithological Society Travel Award, 1996  
 Berley Graduate Fellowship, Cornell Center for the Environment, 1994  
 Andrew Mellon Research Grant, 1995  
 Walter E. Benning Scholarship, Cornell Laboratory of Ornithology, 1994  
 Sigma Xi Grant-in-Aid of Research, 1994  
 Eastern Bird Banding Association Research Award, 1994  
 Western Bird Banding Association Research Award, 1994  
 Marcia Brady Tucker Travel Award, American Ornithologists' Union, 1993, 1996  
 Cornell University Conference Travel Grant, 1993, 1994, 1995, 1996  
 Georgia Ornithological Society Graduate Student Research Grant, 1992  
 Jekyll Island Banding Station Research Award, 1991  
 National Science Foundation Graduate Fellowship, 1991-92, 1994-96  
 Andrew D. White Graduate Fellowship, Cornell University (merit-based, tuition and stipend) 1989-1991  
 Quattlebaum Honor Scholarship, Presbyterian College (academic-merit full scholarship), 1985-1989

### INVITED SYMPOSIA PAPERS

- MORRIS, S. R.** AND H. DAVID SHEETS. 2007. Monitoring Migration: Lessons learned from Appledore Island, Maine. Invited paper for "Lessons from Long-term Monitoring Studies" symposium. *Association of Field Ornithologists*, Orono, ME.
- MORRIS, S. R.**, AND J. C. ELLIS. 2002. Experiential learning: Teaching field ornithology to undergraduates on Appledore Island. Invited paper for the "Use of Ornithology in Education" symposium. *North American Ornithological Conference*, New Orleans, LA.
- METRAS, L., **S. R. MORRIS**, AND B. DALE. 2002. The roles and contributions of banding organizations to the North American banding program. Invited paper for the "Celebrating 100 years of bird banding in North America" symposium. *North American Ornithological Conference*, New Orleans, LA.
- MORRIS, S. R.** 2000. Banding and Ringing in the 21<sup>st</sup> Century, Roles and Opportunities for Banders. Invited paper (representing the Ornithological Council and the North American Banding Council) for the Banding and Ringing in the 21<sup>st</sup> Century symposium. *American Ornithologists' Union, British Ornithologists' Union and Society of Canadian Ornithologists Conference*, St. John's, Newfoundland.

### INVITED PRESENTATIONS

- "Aves Sin Fronteras/Birds Without Borders." Canisius College Borders and Migration Week, *Buffalo, NY, October, 2019*
- "A Migrant's View of Islands: How Migrant Songbirds Benefit from Islands." *Massachusetts Audubon Society, Annual Birder's Conference, March, 2018*

- "Taking the sexism out of birding: the art of identifying female songbirds." *Bert Miller Nature Club, Niagara Falls, ON, January, 2016*
- "Things that go "zeep" in the night: the study of nocturnal flight calling behavior in migrant birds." *Alfred University, October, 2015*
- "Exploring individual variation in flight calling behavior by migratory warblers." *Department of Biological Sciences, University of Southern Mississippi, February, 2014*
- "Conversations among the stars? Unraveling questions about migrant flight calling behavior." *Georgia Ornithological Society, Jekyll Island, GA, October 2013*
- "Conversations among the stars? Exploring individual variations in flight calling behavior in warblers," *Braddock Bay Bird Observatory, Greece, NY, October 2013*
- "Taking the Sexism Out of Birding: The Art of Identifying Female Warblers," *Midwest Birding Symposium, Lakeside, OH, September 2013.*
- "The Adventure of Bird Migration." *Great Adirondack Birding Celebration, Paul Smith's College VIC, May 2013*
- "Exploring individual variations in flight calling behavior in migratory warblers," *SUNY Buffalo, Evolutionary Biology and Ecology Group, February 2013*
- "Making Sense Out of all Those Brown Birds," *Roger Tory Peterson Institute, Jamestown, NY, June 2011.*
- "Taking the Sexism out of Birding: Identification Workshop on Eastern Warblers." *Niagara Falls Nature Club, Niagara Falls, ON, March 2010*
- "Gulls Galore: The Biology and Behavior of Gulls" *Bert Miller Nature Club, Fort Erie, ON, January 2009*
- "Communication in Birds: Songs, calls, and non-vocal sounds" *New York State Wildlife Rehabilitation Council annual seminar, Grand Island, NY, October 2008*
- "The mysteries of bird migration" *New York State Wildlife Rehabilitation Council annual seminar, Grand Island, NY, October 2008*
- "They're staying how long? Methods of and complications in determining stopover estimates using banding data." Co-authored with H. David Sheets, *Inland Bird Banding Association, Hickory Corners Michigan, October 2005*
- "Bird Migration: Mysterious, Exciting, and Coming Soon to an Area Near You" *Niagara Falls Nature Club Annual Banquet, Niagara Falls, ON, April 2005.*
- "The Mysteries of Bird Migration." *Bert Miller Nature Club, Fort Erie, ON, November 2003.*
- "Gull Appreciation 101: Exploring the fascinating biology of gulls." *William C. Vaughn Memorial Lecture in Ornithology, Buffalo Museum of Science, April 2002*
- "Exploring the Migration and Stopover Ecology of Nearctic-Neotropical Passerines off the Coast of Maine." *Humboldt State University (Arcata, CA), April 2002*
- "To stop or not to stop: the migration and stopover ecology of Neotropical migrants." *Laurentian University (Ontario, Canada), November 1999*
- "Habitat use by songbirds" *Niagara Frontier Forest Owner Workshop, Cornell Cooperative Extension of Niagara County, March 1999*
- "Fall Warbler Identification" *Buffalo Ornithological Society, October 1998*
- "Migration and stopover ecology of Neotropical migrants." *Hamilton College, September 1998*
- "Songbird Migrations: Lessons from the Appledore Island Migration Banding Station." *Appledore Island Rock Talk, Shoals Marine Lab, June 1998*
- "Migration and stopover ecology of Neotropical migrants." *Ornithology class, SUNY Brockport, April 1997*
- "Migration in Maine: Adventures at the Appledore Island Migration Banding Station." *William C. Vaughn Memorial Lecture in Ornithology, Buffalo Museum of Science, March 1997*

- "The stopover ecology of Neotropical migrants: a study of seasonal differences on Appledore Island, Maine." *Department of Biology, Canisius College, January 1997*
- "The stopover ecology of Neotropical migrants: a study of seasonal differences on Appledore Island, Maine." *Department of Biology, William Jewell College, January 1997*
- "The stopover ecology of Neotropical migrants: a study of seasonal differences on Appledore Island, Maine." *Department of Biology, Texas Lutheran University, February 1997*
- "The stopover ecology of Neotropical migrants: a study of seasonal differences on Appledore Island, Maine." *Department of Biology, Mercer University, February 1997*
- "Songbird identification workshop: spring warblers." *Cayuga Bird Club (Cornell Lab of Ornithology), 1995*
- "Songbird identification workshop: spring migrants." *Owasco Valley Audubon Society, 1994*
- "The mysteries of migration." *Delaware-Otsego Audubon Society, 1993*
- "Songbird identification workshop: fall migrants." *Georgia Ornithological Society, 1993*
- "Patterns of songbird migration on Appledore Island, Maine." *Cornell Laboratory of Ornithology, 1993*
- "Songbird identification workshop: spring warblers." *Eaton Birding Society, 1993*
- "Islands and the sea: the Maine experience." *Eaton Birding Society, 1992*
